

Cod: 4462

Electric Convection Oven with Humidification 4 Trays 60x40cm

Description

A single-phase oven characterised by great personality and equally great flexibility of use. It truly fits into any room, adapting not only to the space available, but also to any type of power supply. Designed to meet the needs of small pastry shops and bakeries, it will be a valuable aid in the preparation of sandwiches and cakes, even frozen ones.
