

Cod: 112210030162848

**Electric cooker 6 square plates with three-phase open compartment 24 kW
120x90x85h cm**

Description

Stainless steel frame. Knobs made of athermal material with functional silk-screen printing on the edge.

Heating by means of **square cast-iron hotplates**. Heating element fixed to the bottom of the hotplate, embedded in a layer of insulating material. Each plate is equipped with a switch that allows the power to be adjusted **from maximum to minimum in seven positions**. Safety is guaranteed by a temperature limiter placed inside the hotplate.

2 mm thick moulded AISI 304 stainless steel worktop with an inverted counter-buttering to ensure perfect plate housing, easy cleaning and to protect electrical components from overflowing liquids. Front cover in AISI 304 stainless steel.

Laser-cut plate finish to ensure a "head-to-head" combination of plates and binding of plates to each other.

Height-adjustable stainless steel feet.
