**Bench-top electric cooker 4 cast iron plates three-phase 12 kW 80x90x25h cm**

## Description

Stainless steel construction. Thermosetting plastic knobs. Heating by means of square electric radiant cast-iron plates. Each plate has three heating elements embedded in a layer of insulating material. Each plate is equipped with a switch that allows the power to be adjusted from maximum to minimum in seven positions. Safety is ensured by a temperature limiter placed inside the hotplate. Moulded work surface for easy cleaning and to protect electrical components from overflowing liquids

## Dimensions
