

Cod: 112240020412722

**Electric cooker with 4 cast iron plates with open compartment 12 kW
80x90x85h cm**

Description

Stainless steel construction. Thermosetting plastic knobs. Heating by means of square electric radiant cast-iron plates. Each plate has three heating elements embedded in a layer of insulating material. Each plate is equipped with a switch that allows the power to be adjusted from maximum to minimum in seven positions. Safety is ensured by a temperature limiter placed inside the hotplate. Moulded worktop for easy cleaning and to protect electrical components from overflowing liquids.
