

Cod: 4471

Electric Convection Oven with Steam 4 baking trays 60x40cm (side opening version)

Description

Rediscover the quality and flavours of tradition. It is the ideal tool for fast cooking but with optimal results, suitable for small bakeries and pastry shops. Regenerate frozen bread but also prepare fragrant, empty or filled brioche: with the direct steam function you can adapt the oven to every baking need. The cleaning process of the baking chamber is made simple and immediate by the practical side opening. Steam: Direct with adjustment via 5-position knob selector.
