

Cod: 111911812935

Height-adjustable gas countertop lava stone grill fry top 11.5 kW 40x90x25h cm

Description

Stainless steel construction. Knobs made of athermic material with functional screen printing on the edge.

Heating by means of a **two-branch stabilised flame burner**. Equipped with a safety gas cock that allows the power to be adjusted **from maximum to minimum**. Safety ensured by a thermocouple kept active by the pilot burner flame.

Movable stainless steel meat grill supplied. Food support grill can be positioned **at two different heights**, even during service.

Inclined and facing grease drain hole, connected to a large capacity container below the cooking surface.

A small drawer to collect dust from burning lava stone **supplied**.

A 5 kg lava bag **supplied**.

Moulded AISI 304 stainless steel worktop with large radius rounded edges for easy cleaning.

Laser-cut worktop finish to ensure a "head-to-head" connection between tops and binding of tops to each other.

Tested with methane or LPG gas according to user requirements.
