

Cod: 112690021812721

**Height-adjustable gas lava stone grill fry top with open compartment 11.5 kW
40x90x85h cm**

Description

Stainless steel frame. Knobs made of athermic material with functional serigraphy on edge.

Heating by means of a **two-branch stabilised flame burner**. Equipped with a safety gas tap that allows the power to be adjusted **from maximum to minimum**. Safety ensured by a thermocouple kept active by the pilot burner flame.

Movable stainless steel meat grill supplied. Food support grill can be positioned **at two different heights**, even during service.

Inclined and facing grease drain hole, connected to a large capacity container below the cooking surface.

A small drawer to collect dust from burning lava stone **supplied**.

A 5 kg lava bag **supplied**.

Moulded AISI 304 stainless steel worktop with large radius rounded edges for easy cleaning.

Laser-cut worktop finish to ensure a "head-to-head" connection between tops and binding of tops to each other.

Tested with methane or LPG gas according to user requirements.

Height-adjustable stainless steel feet.
