

Cod: 111912052937

Height-adjustable gas countertop lava stone fry top 23 kW 80x90x25h cm

Description

Stainless steel frame. Knobs made of thermosetting athermic plastic with useful screen-printed edges. Heating by means of two-branch burners with stabilised flame. Equipped with a safety gas tap that allows the power to be adjusted from maximum to minimum . Safety ensured by a thermocouple kept active by the pilot burner flame. Equipped as standard with movable stainless steel meat grill. Meat support grill that can be positioned at two different levels, even during service. Two independent cooking zones. Inclined top facing the fat drain hole, connected to a large capacity container placed under the cooking surface. Equipped as standard with two small drawers for collecting the dust deriving from the combustion of the lava stone. Equipped as standard with a 5 kg lava bag. Moulded worktop in AISI 304 stainless steel with rounded edges for easy cleaning. Worktop finish made with laser cut for "head to head" combination and fixing with edging.
