

Cod: 11598001056019

Full cube ice maker air cooling production 134 kg/24h capacity 60 Kg

Description

Strong points:

- Inward door opening, built-in storage;
- Front in-out ventilation allowing built-in storage;
- Control for timer and thermostat, on/off operation indicator light on front panel;
- Structure in AISI 304 stainless steel;
- Tropicalised machine, class T, operates at ambient temperature 5°C/43°C;
- Cooling with ecological natural gas R290;
- Spray system.

Dimensions

Dimensioni esterne	930x565x915 mm

Technical data

Alimentazione	Electric
Capacità	60 kg
Cubetto	22 g
Frequenza	50 Hz
Gas refrigerante	R290
Peso	83 kg
Produzione Kg/24h	134 Kg/24h
Voltaggio	230 V
