

Cod: 11626001426

Slush/cold cream machine with mechanical switches 1 6-litre tank

Description

Extremely compact, it will allow you to prepare granitas, sorbets, cold creams and cocktails to please all your customers all year round.

Strong points:

- Patented tank locking system for easier and safer attachment
- Unbreakable non-toxic polycarbonate tank with a capacity of 6 litres
- Hermetic compressor
- Absence of seals and 'through-hole' transmission parts thanks to proven magnetic transmission according to Ugolini patent
- Removable panel for condenser cleaning.
- Noise level below 70 dB (A).
- R290: equipped with ATEX electrical components

Dimensions

Dimensioni esterne	200x480x620 mm
