

Cod: 11624001445

## Counter-top slush maker with LED technology and electronic control 1 x 2.8 l tank

### Description

The unique, modern style combined with its extremely small dimensions make it possible to fit into any environment. Excellent for the preparation of cold creams, sorbets and slushies, it is designed with a 2.8 litre container that allows small quantities of product to be handled, avoiding unnecessary waste.

This model features a front light with LED technology.

Strong points:

- Copolyester tank (BPA - Free), with a capacity of 2.8 litres
- Painted steel body
- Hermetic compressor
- Air-cooled condenser
- Motor protection
- Air filter

- Noise level below 70 dB (A)
- R290: equipped with ATEX electrical components
