

Cod: 578

Professional Electric Poultry Tenderizer 20 Chickens Capacity

Description

Electric rotisserie spit with 4 spits. Each individual spit has its own motor and can rotate independently. Each spit can hold 4 to 5 chickens depending on their size. The structure of the rotisserie is made entirely of stainless steel. They allow cooking without excessive fumes thanks to an exhaust pan. They also allow quick and easy cleaning.

NB: product only payable by bank transfer, paypal or credit card.
