

Cod: 5064

Refrigerated Barrel 8 l

Description

The simplest system for cooling and draining wine: 'by gravity'. Rustic solid wood and wrought iron. Stainless steel tank open at the top for easy cleaning. Always-full' float to prevent the wine from oxidising. Polyurethane insulation. Gradual thermostat for automatic temperature control. Ready to operate (just plug in) and maintenance-free. Standard colour - light fir. Operates on environmentally friendly R134a gas. Single temperature.

Dimensions

Dimensioni esterne	350x350x650 mm
