**Rectangular GN1/1 induction chafing dish with window and assisted closure
8.5 l 580x440x330 h mm**

Description

Rectangular GN 1/1 induction chafing dish with window and assisted closure. The food inside is visible through the window even when the lid is closed. The lid is easy to open and available in various shapes. Simplified disassembly for easy cleaning. Advanced condensate recovery system. During operation, the bottom heats up micro-capsules, ensuring optimal heat transmission. This system prevents heat loss and conserves heat, reducing energy consumption.
