

Cod: 5090

Professional pastry display case with 5 round shelves and 800 litre capacity rectifier

Description

Vertical refrigerated double-door display case, half with round revolving shelves and half door with straight shelves, capacious and spacious, equipped with refrigerated shelves to best display your tasty cold products. With its distinctive hexagonal shape, it is the right product to make your venue even more elegant. It guarantees the perfect preservation of cakes and other pastry products, thanks to negative ventilated refrigeration (operating temperature +2 ,+10 C). Suitable, therefore, for pastry shops, restaurants or bars. It is equipped with strong tempered glass on all 6 sides, with a single opening door. Inside, 3 rotating shelves are positioned to ensure full display capacity. At the bottom are practical wheels for easy movement; inside are LED lights.
