Professional pastry display case 3 doors 5 straight and round shelves Capacity 800 litres

Description

Vertical refrigerated 3-door display case with straight and round shelves, capacious and spacious, equipped with refrigerated shelves to best display your tasty cold products. With its special hexagonal shape, it is the right product to make your venue even more elegant. It guarantees the perfect preservation of cakes and other pastry products, thanks to negative ventilated refrigeration (operating temperature +2 ,+10 C). Suitable, therefore, for pastry shops, restaurants or bars. It is equipped with robust tempered glass on all 8 sides, with a single opening door. Inside there are 5 revolving shelves and 10 straight shelves to ensure full display capacity. At the bottom are practical wheels for easy movement; inside, LED lights are positioned.
