

Cod: 5202

Stainless steel external-extraction packaging machine sealing bar 450 mm

Description

Stainless steel external-extraction packaging machine 450 mm sealing bar. Ideal for the small retail outlet. Robust and reliable over time, it offers the possibility of serving the packaged product 'on sight', increasing its conservation and freshness over time with a consequent increase in service and image. Ideal for products with a low moisture content (cold meats, cheese, coffee, etc.)
