

Cod: 5217

AUTOMATIC stainless steel external-extraction packaging machine 500 mm oil sealing bar

Description

AUTOMATIC stainless steel oil extraction packaging machine with 500 mm sealing bar. Ideal for the small retail outlet. Robust and reliable over time, it offers the possibility of serving the packaged product "on sight", increasing its conservation and freshness over time with a consequent increase in service and image. Ideal for products with a low moisture content (cold meats, cheese, coffee, etc.)
