

Cod: 5899

Extendable display stand 4+1 cassettes depth 30 cm

Description

Extendable display unit for 4+1 fruit-vegetable crates, depth 30 cm, with structure in anodised aluminium alloy and polypropylene slats, revolving wheels Ø 125 mm (2 with foot pedal lock). The shelf is equipped with an extendable extension that allows the length of the shelf to be adjusted to the size of the crates or to hold an extra crate. Can be supplied with trolley bumper upon request.
