Doner Gyros Gas Kebab Cooker 20 kg

Description

The doner gyros gas kebab cooker from Ristoattrezzature is the perfect professional tool for gastronomy. Safe, practical and versatile, it is particularly suitable for preparing tasty shawarma sandwiches, kebabs and other grilled dishes. Suitable for use in shawarma shops and grill shops, but also for grilling meats in delicatessens, pubs, fast food outlets and other catering establishments. Complete your work area in a functional way. Choose quality from Ristoattrezzature.

Design and operation The doner gyros kebab cooker for gastronomy is characterised by the compact shape of the appliance, which makes it versatile and suitable for any space available. The construction is stainless steel and the external dimensions are 580x630x800 mm. This professional machine is also equipped with 3 gas burners with gas protection device and each burner measures 18x12 cm. For perfect preparation, the grill spit is adjustable and can be turned to the left and right. In addition, the doner kebab machine is equipped with an easy-to-remove stainless steel collection tray. It is operated on gas with an output of 11.5 kW. Standard nozzles for natural gas are included, and optional extras include the supply and installation of LPG nozzles. Make sure that the conversion is carried out by an expert.

Cleaning and maintenance With this product it will be easy to keep your workstation clean at all times. Cleaning the doner gyros gas kebab cooker is quick and easy. The housing, spit and plate

are made of stainless steel, which is durable and easy to clean. For routine cleaning of the equipment, simply unplug it and wait for the grill to cool down. Then remove all parts that come into contact with the meat and soak them in a solution of water and mild detergent. Carefully clean all parts with the help of a soft cloth and leave to dry. Do not use abrasive tools to avoid the risk of damaging the professional equipment. This will ensure longevity and durability of your equipment. Why it's the right product for you Buy our doner gyros gas kebab cooker for its performance and its ability to optimise preparation time and space. By using it in your kitchen or workshop, you will ensure a quality product that offers high working comfort and maximum safety.
