

Cod: 785

Refrigerated Counter Straight Glasses 200 cm

Description

A refrigerated counter with straight glass panes, designed to meet special space problems in tight spaces, it has a depth of only 90 cm. It stands out from other display units due to its economy combined with good design. Standard features: thermoformed and insulated shoulders with glass sides (40 mm thick each), electronic control panel, refrigerated reserve with doors. Customisation on request. Display area 1.1 m² and 2 doors.
