Stainless steel chest of drawers 3 drawers and splashback 500x600x850h mm

Description

The **professional** stainless steel **drawer unit with splashback**, which Ristoattrezzature has selected for you, is a useful and practical piece of furniture with 3 pull-out compartments dedicated to the storage of **professional equipment or kitchen utensils**. Excellent for use inside **pastry or bakery workshops**, pizzerias, restaurants, butcher's shops, hotels and all those establishments where it is necessary to comply with specific hygiene procedures according to the law; for this reason, the structure of this product is made of **stainless steel 430**. The excellent performance of the 50x60x85h cm chest of drawers is ensured by the use of a stainless alloy that, thanks to its characteristics, makes it truly robust, resistant and able to support considerable loads.

The article lends itself well to being incorporated into a wider composition: for example, it can be placed next to a **stainless steel table with legs**, a stainless steel **worktop** or a stainless steel **sink, stainless steel counters and back counters** to make the spaces within your **professional workshop**, your kitchen or your bar even more functional.
