

Cod: 4325003

Mincer mouth \varnothing 98 mm capacity 600 kg/h three-phase

Description

It is a professional meat grinder designed to meet the needs of butcher shops, supermarkets and large communities. Constructed entirely of stainless steel, it has a grinding unit 20 centimetres long by a diameter of nine. Despite these dimensions, the unit is easily removable from the machine body for quick and easy cleaning, even in a dishwasher. The hopper, with its 76 millimetre bore, is fitted with a protective microswitch. Oil-bath gears and an induction motor. The mincer complies with current EC regulations.

Dimensions

Diametro Bocca	98 mm
Diametro della piastra	6 mm
Dimensioni esterne	475x300x560 mm

Technical data

Alimentazione	Electric
Frequenza	50 Hz
Giri coclea	140 Rpm
Materiale	stainless steel
Potenza Elettrica	2.2 kW
Potenza motore	3 hp
Produzione Kg/h	600 Kg/h
Voltaggio	400 V
