## **Description**

Samsung Household Appliances Samsung is a leading brand in the production of household and professional kitchen appliances, such as refrigerators, hobs, hoods, ovens and microwave ovens. The quality of Samsung products is evident right from the start, from the use of top quality materials and the durability of each appliance, even for continuous use such as in professional kitchens. Samsung ovens Lots of functionality and great power: these are the two watchwords that Samsung pursues with its appliances, including ovens and microwave ovens, top of the range in the category with Samsung branded products. Samsung ovens include a long list of specific features such as: temperature settings and timers to control cooking times; grill functionality; pre-set programmes for cooking food; defrost for fast defrosting of food; programmable filter cleaning and other functions. Samsung appliances on Ristoattrezzature All Samsung appliances in our catalogue are original, with a two-year warranty from purchase.
